## Intermediate Schools To Face Change

PLACENTIA - The three intermediate schools in the Placentia Unified School District won't be called intermediate schools after next July 1. At the request of Director of Instructional Services Al Hawkins, the board approved a change of name to "junior high school."

"We're finding increasing confusion with state terminology about the meaning of intermediate," he said. "The term 'intermediate' often refers to grades four through six. 'Junior high' is used for any grouping of students between elementary and high school levels."

## Tax Increase Not Likely, Tynes Says

PLACENTIA - Superintendent John Tynes predicted that the Placentia Unified School District will not ask for a tax rate increase in the coming school year unless the state legislature does something completely unforeseen.

Tynes told the board at its last regular meeting, "We're in pretty good shape financially, and we should have enough to carry us through the next school year without asking for a tax election."

The district received more money than anticipated this year when property tax assessed valuations came in far higher than expected.

## Commission Annexation Hearing Set

YORBA LINDA - The Planning Commission will hold a hearing on the proposed annexation of the large area south of the Yorba Linda Country Club to the city and may also consider development plans submitted by the developer, Presley Developing Co.

The developer is proposing to build single family dwellings on 12,000 square foot lots in the R-S zone. He had previously applied for annexation with a proposal that contained some condominium units near the country club clubhouse but that plan was denied by the City Council.

In other action at the last commission meeting commissioners voted to approve a parcel map off Collins Lane near Briarhill and denied a request to store trailers and tractors in the MP zone on Prosopet near the high school site.

A use permit application for permission for a horse stable, tentative tract map for 16 single family, as a tentative tract map for 16 single family, a tentative tract for 53 condominium units were all continued until Dec. 11.

GIFTS - Mrs. Jeff Harris looks at some of the names on the Yorba Linda Junior Women's Club Angel Tree located this year in the TG and Y Store at Yorba Linda Boulevard and Fairmont Boulevard. Local residents are asked to pick up a name and buy a Christmas gift for children served by the county who would otherwise not receive any gifts.

## Commissioners Approve Zone Change

PLACENTIA - Planning Commissioners have given preliminary approval to a zone change and final approval to a use permit requested by Riley Marquis, which will allow him to keep horses on a parcel of land along Angelina Drive bounded on three sides by Kraemer Intermediate School.

Commissioners voted 3-1 to approve the zone change from R-1 to R-A (residential-agricultural), a zone which allows two horses to be kept on the 1.55 acre parcel. The parcel will be the only R-A zoned parcel in the city.

Marquis bought the property and installed the horse corral on it

before finding out the use was prohibited. He told the commission that keeping horses on the property was one important reason he bought the house. He added that one of his daughters has placed highly in statewide riding competition.

Several letters of support were

written by officials of the Placentia Unified School District, including one from Kraemer Principal George Bowman. Superintendent John Tynes wrote that the use would not be detrimental to the school. The Valencia High School farm is located just north of Kraemer School.

## Carlton Street Abandonment Is Given Approval

YORBA LINDA - Planning Commissioners have approved a request from the Fullerton Union High School District that several streets in the Carlton Townsite located on its property in the northwest portion of the city be vacated.

The streets exist in name only and are not now in place on the property. They were part of the Carlton Tract laid out at the end of the last century, which died shortly after it was recorded. A public hearing on the abandonment will be held Dec. 18 before the City Council.

## Applications Available For YL Contest

YORBA LINDA - Application blanks for the Miss Yorba Linda contest are now available at the City Hall on Main Street. Girls interested in participating or organizations interested in sponsoring a contestant should complete and submit the applications as soon as possible.

The contest is sponsored by the Yorba Linda Chamber of Commerce with Carl Tice and Anne McGrory in charge of the event.

The new Miss Yorba Linda will be crowned in early January. Miss Kim Candalaria is the present titleholder.

## Christmas Park Program Planned

PLACENTIA - Twilight Hour, 4 p.m. Sunday December 10 will find choir members of Placentia Churches gathered at Kraemer Park for a Holiday "Eve'n Song, Christmas is Nigh".

The city of Placentia Showmobile will form the stage setting for the choirs, and an estimated 125 singers will be heard as each church choir presents its song offerings. The event is the official opening of the holiday season for Placentians, and the lighting of the stately tree at the entrance to the Kraemer Park.

The program will include choirs from Placentia Presbyterian Church, Calvary, First Church of the Nazarene, Redeemer Lutheran Church, St. Joseph Church, and a Spanish choir.

The young people will not be forgotten this year, as the second half of the program is to be devoted to them. It is titled "The Children's Hour." Singing of jolly tunes by the children and their parents, and those assembled at the park will precede the arrival of the jolly old boy with the white whiskers, Santa himself, who will

give a sweetmeat gift to each child. Parks and Recreation Department of the city is supplying the goodies for the young folks.

With sirens announcing and red lights flaring, Santa will arrive in the car with Fire Chief James Sims.

Due to the large number of persons expected to attend, it has been suggested that persons who have them bring garden chairs, camp stools or blankets for their own use.

SHOW - Discussing plans for the upcoming Christmas musical presentation "Eve'n Song, Christmas is nigh" are, standing, Sageta Jackson, Placentia Nazarene Church; and Cena Bones, St. Joseph Church; seated, Mary Gerhold, Placentia Presbyterian; Elmer Gohr, Redeemer Lutheran; and Florence K. Robinson.

**CANNED GOODS** - Mrs. Malcolm Black, left, chairman of the Christmas Clearing Bureau, packs canned goods for needy families with Mrs. John Pierce of the Placentia Jaycettes.

## Round Table Hosts Bureau

Placentia Round Table members have their thoughts turned to a merrier Christmas for others while co-ordinating the Christmas Clearing Bureau, whose staff is at work this year at 1850 N. Placentia Ave. in the Sierra Vista Shopping Center, Placentia. The building has been donated by A. Edward Evans, president

of Pantry Food Markets.

Telephones have been installed and volunteers will be on duty from 9 a.m. until 5 p.m. Monday through Saturday. The telephone number is 993-6990. Anyone wishing to donate anything or just get information may

call that number.

Since this is a community wide effort, many organizations and businesses have already contributed but according to Mrs. Mal Black, chairman, any and all who would still like to contribute are welcome.

## Mat Sale Scheduled By Corps

The Kings Lancers Drum and Bugle Corps sponsored by the Placentia Recreation and Parks Department will hold a holiday mat sale in Placentia in Dec. 9.

The rubber door mats feature a Christmas greeting and holiday scene and may be purchased for \$2.

The Kings Lancers is a group of area young people between the ages of 10 and 15 who are trying to earn funds to replace instruments lost in the theft of the Earps equipment truck in October.

## Investiture Ceremony Planned For Brownies

Brownie Troop 191 has been looking forward with great anticipation to their Brownie Investiture. Having learned the Brownie Promise, practiced the ceremony, and made invitations for their mothers, their big event is planned for Wednesday, Dec. 6 at 2:30 p.m.

Those to be invested are Debbie Berman, Clancy Blair, Shelly Glenn, Jennifer Johns, Susanne Kish, Julie Marchand, and Tammy Swetland.

Second year Brownies, Meg Beatty, Maureen Farrell, and Karen Schafer with assistance from leader Mrs. Thomas Kish and co-leader Mrs. Douglas Johns will act out the Brownie

Story. It is to be held in the home of Mrs. Kish in Yorba Linda. The girls are from Glenview School.

At the conclusion, the Brownies will serve their mothers refreshments.

## Program Held For YL Club

Captain Mike Van Bibber and Manual Limon of the Orange County Forestry Fire Department gave a demonstration on fire prevention at the recent community meeting of the Yorba Linda Clover leaf 4-H Club.

Interesting experiments were performed by Limon showing how fires can start and how to prevent them. Peggy Shields, vice president, introduced the program.

Kathy Merrell, club president, presided over the business meeting.

## GIVE & GET "LIQUID GOLD" FOR CHRISTMAS THE ORIGINAL VITAMIN E OIL FOR COSMETIC USE

About 8 years ago we developed Vitamin E Oil as a preparation for use directly on the skin. We were the first to ever make the fabulous Vitamin E Factors available for "Cosmetic" use without you having to cut open a Vitamin E capsule to get to the oil.

Over the years we have further developed Vitamin E Oil as an external preparation in a form that is carried directly and readily into the skin. This makes it extremely versatile for every type of skin, for every need, and for every type of person.

This is our own secret formula and our own development that makes VITAMIN VILLAGE Vitamin E Oil so much better than any other form of Vitamin E that you can apply directly to your skin—including cutting open a capsule, squeezing out the oil, and applying that.

Since we were the first to market Vitamin E Oil as a "Cosmetic" preparation, many firms have jumped on the bandwagon and come out with various cremes, oils and other preparations that have Vitamin E added to them. Some firms are putting out an overwhelmingly expensive, thick heavy Vitamin E Oil that does not rub into the skin as nicely—nor is it anywhere near as versatile as ours. It is amazing to us to read the ads for other Vitamin E preparations which sound almost word for word, like our Vitamin E Oil ads over the past 7 years or so. But then they say that imitation is the most sincere form of flattery!

You are going to want Vitamin E Oil, and you are definitely going to want the original and still the finest and most versatile Vitamin E Oil available for application directly to the skin. You can only obtain THIS VITAMIN E OIL FROM VITAMIN VILLAGE.

Vitamin E Oil will make a great Christmas Gift for all your Friends and Family this year... and especially for yourself. Get several bottles and keep them everywhere.

Insist On The Best! Forget The Rest!

## SUPPLY YOU WITH THE GREATEST CHRISTMAS FEAST EVER!!!

Again this year we broke all records for the number of **Super Turkeys** we sold for Thanksgiving... and everyone has been coming back into our stores ecstatically extolling the virtues of their AUNT HAZEL'S SUPER BIRDS! We received hundreds of testimonials that these naturally raised and organically fed Turkeys were the best that the people had ever eaten—or at least the best that they have had for the past 30 or 40 years since they used to raise their own "down-on-the-farm." It just makes sense that when an animal is fed better, when it is allowed to grow and mature naturally, and when it isn't injected or treated with any chemicals such as tenderizers, hormones to fatten it up, bleaches, antibiotics, or other commercial inventions of marvelous modern man, that that animal will yield more desirable meat. Our Turkeys have better flavor, better texture, better appearance, more firmness, less fat, and a higher proportion of juicy & delicious meat.

Don't kid around with the biggest Holiday of the year. Almost everyone points all year toward the Christmas Holidays. This year, let your Christmas Feast be one that will be remembered for years to come. Build your meal—and all the scrumptious leftovers and snacks that follow for a week—around on...

## AUNT HAZEL'S SUPER BIRD THE FINEST TURKEY YOU CAN BUY!!!

## Health News . . .

### LOW BACK AND ASSOCIATED LEG PAIN

An estimated half million people will be disabled this year by spinal defects which cause low back and leg pain. This statement was recently made by Dr. Andrew N. Burpee of the Burpee Chiropractic Office.

DR. BURPEE

"A spinal segment (vertebra) in the lower back may be misaligned by an unguarded move, fall, or prolonged muscle tension," Dr. Burpee continues. "When a vertebra in the low back is thus misaligned it partially closes the nerve opening through which the nerves to the legs pass. This serves to irritate the nerves which supply the legs."

It has long been recognized that prolonged nerve interference to a limb or major organ may result in pain and loss of function in the effected organ or limb.

Most people today are familiar with the fact that a misaligned vertebra may pinch or irritate a nerve in the low back and cause pain in the leg. . . it is equally recognized that a similar spinal disorder in the neck may cause pain in the shoulder, arm and hand.

It logically follows that a similar spinal defect or injury in the appropriate spinal area may interfere with the vital nerve supply to a major organ and thereby cause pain and loss of function in that organ.

Chiropractic research and clinical experience has shown that minute deviations from normal alignment and mobility of a single spinal segment may cause not only disabling back pain but may also interfere with the normal nerve supply of a part of the body and thereby effect the total health pattern of the individual.

"Chiropractic X-Ray analysis reveals even minute spinal distortions. . . Dr. Burpee continues, "Early detection allows more effective care and preven-

# Arboretum Benefit Plant Sale Scheduled

The Friends of the Arboretum and the Arboretum Commission of the Associated Students at Cal State Fullerton will hold a plant sale on Tuesday, Dec. 12. Also sold at that time will be poinsettias for \$4 (two

flowing stream, an experimental garden, an organic garden, and flora from the major continental basins of the world. One section will be set aside for native California plants.

Community groups and organizations desiring more information about the arboretum project may arrange for a speaker and slide presentation by calling 870-2663.

## Workshop Planned By City

A Christmas Crafts Workshop has been scheduled by the Placentia Recreation and Parks Department for Thursday morning, Dec. 14, from 9 a.m. to 12 noon at the Backs Community Building, 201 N. Bradford Avenue.

The workshop will allow each participant to complete a few projects at the workshop as well as providing participants with take-home information so the projects may be completed on their own. Jamie Astle and Vince Boglino led the defense which held the Red and Blue team scoreless in the first half. The Red and Blue team came out strong in the third quarter to score two quick touchdowns and an extra point to take the lead 13-12. The passing of Jeff Robinson and Steve Colonaine and the catching of Doug Gamache, and Randy Waterbury led the third quarter surge. The fourth quarter turned into a defensive struggle until late in the quarter when the Maroon and Green team pushed over the winning score.

## Kraemer Honors Lewis

Fred Lewis' last day as a custodian at Kraemer Intermediate School in Placentia was one he'll remember a long time.

When students and staff found out the 68-year-old Lewis planned to retire Nov. 30, they began planning a "Fred Lewis Day," with the help of Assistant Principal Dave Heil. The result was a day in which students helped Lewis with his regular duties and a ceremony which

would be the envy of any retiree.

Students worked in pairs with Lewis throughout the day. In the afternoon, the entire school attended a ceremony honoring Lewis, presenting him with a plaque and a gift.

Lewis began his career with the Placentia Unified School District in 1957 as a custodian and groundman at Valencia High School. When Kraemer Intermediate

opened, he became the first and only day custodian the school has known for the past 13 years.

"Lewis has been a friend to a generation of children at Kraemer, as well as one of the most important members of our staff," noted Principal George Bowman. "We're all going to miss him."

## Kraemer School Hosts Basketball Tournament

Kramer Intermediate School in Placentia is hosting their fifth annual Invitational Basketball Tournament this week on their campus, 645 N. Angelina Dr.

Seven seventh and eighth grade teams are participating in the tourney, including the Placentia Unified School District's three intermediate schools, Kraemer, Tuffree and Ber-

nardo Yorba, according to Dave Heil, assistant principal and tournament manager. Other schools are Ladera Vista from Fullerton, Washington from La Habra, Brea and Yorba Linda.

All games will begin at 3 p.m. Wednesday and Thursday. Awards and trophies will be presented immediately after the final game Thursday.

The queen and her court were selected on the basis of university services, scholarship and general appearance.

This was the first homecoming at the Fullerton campus since 1968, when the once annual event was held during the basketball season. The university's intercollegiate football team was inaugurated in 1970, and this year students requested the return of the traditional event.

Competing in the California Band Review in Santa Ana, during the Thanksgiving holiday, the tiger band captured second place in their division. The same evening, the students

traveled to Lynnwood, where they received third place in the annual candy lane parade.

Also on the schedule for the tigers was a Christmas gala in Pasadena last Saturday. Accompanying the band was the tigerette drill team, under the captainship of Pam Clark and Sherry Powell. Advising the groups are Jane Rogers and Bill Foster.

## Five Valencia Seniors Join Quill and Scroll

Five Valencia High School seniors were recently admitted to the national honorary literary society, Quill and Scroll.

Representing VHS this year are Linda Bies, Jeff Dobyns, Jan Exley, Inge Hardi and Steve Pickrell. These students are in the top ten per-cent of their class and have been outstanding in the field of literature.

Valencia's chapter of Quill and Scroll has become ac-

tive in the Christmas spirit, by sponsoring a bulletin board decorating contest on campus. The theme for this year is "Peace on Earth".

According to chapter president Pickrell, among the projects for the group will be the published of "Keystones," an annual magazine full of student written literature. Advisorship for the group comes from Mrs. Emilie Disen.

## Tigers Fall To Pirates In Opener

Valencia High dropped its first game of the season to visiting San Pedro 80-67 and is playing in the Glendale-Hoover Tournament this week.

The Tigers started well, holding a 17-14 lead at the end of the first quarter. Late in the second quarter it was tied 27-27 but the visiting Pirates went on a 10-3 scoring splurge to hold a 37-30 halftime lead.

Center Don Hamman aided the Tiger scoring with 12 points while forward Tom Ricks lead all Valencia scorers with 14.

## Hornets Take Second In JC Polo Tourney

The three top Orange County JC water polo teams finished 1, 2, and 3 in the state JC Water polo finals at Rio Hondo last Saturday.

In their fourth encounter of the year, Orange Coast beat Fullerton College 15-14 for the state championship. Fullerton only lost four games all year and they were all to South Coast Conference rivals, Orange Coast. Three of the games were one point decision.

To win the championship, the Pirates Matt Wardelich scored at goal with 35

seconds left in a sudden death finale. The bitterly contested battle lasted 2-hours, with ties in both overtimes.

Golden West beat Northern California powerhouse, De Anza, of Cupertino, 7-5 for third place. FC had edged De Anza 9-8 to gain the finals.

John Roche and goalie Ed Freeman were named to the all-tournament team. Also, Hornets, Roche, Tim Harvey, Tim Bresnahan and Gene Crawford were named to the all-Southern Cal Team.

# El Dorado Edges Troy To Open Year

Starting the basketball season on a nervous but winning note, El Dorado Golden Hawks outlasted the Troy Warriors 60-57 in an overtime game at Troy Friday night.

El Dorado captured the first quarter lead with a 14-13 advantage. The Hawks exchanged points with the Warriors in quarter of few errors.

Last years CIF 2A runnerup, El Dorado played

consistent, even basketball. Troy went cold producing only seven points with numerous turnovers. El Dorado led at half time 29-20.

The second half again found a deliberate ED team, but it was no match for the suddenly coherent and effective Warrior squad. Troy capitalized on Hawk switching errors and found an offense in junior Mark Wulfemeyer. With only

three points in the first half Wulfemeyer threw in outside jumpers and a drive to match. El Dorado led at the period's end 44-43.

With tension mounting, the fourth quarter began. Both offenses cooled down characterized by erratic, broken plays. Exchanging goals back and forth, El Dorado was down 54-53 with less than a minute to go. Smooth playing guard John Jesmont converted a foul

shot for the tie at 54 apiece. The contest then went into overtime.

El Dorado opened the overtime period with the go ahead basket. ED forward, Jeff Van Winkle, then put the game out of reach with a two foot hoop. Last year's Most Valuable Player in Orange League Mike Moore, then sank two clutch freethrows. The Hawks beat out Troy 60-57.

# Cal State Upsets Oklahoma

CSF's basketball team will debut at home against San Francisco State this Thursday night at 8 p.m.

The Titan cagers completed their annual road trip to the Midwest last weekend and came home with an unusual victory.

Traveling to three states in four days, Coach Moe Radovich's squad played very well against three good Midwest teams and were able to upset Oklahoma St. Tuesday night, 56-55.

However the Titans lost to North Texas State, 63-56 and Colorado St. 79-62. Against Texas, the Titans had the lead with only a minute left but fell apart in the final

seconds to lose. Against Colorado, the Titans fell behind by 20 at half and could get no closer than 14 points in the second half

CSF was led by star guard Orie McLemore. The 6-2 captain was the leading Titan scorer in all three games scoring 13, 16 and 20 respectively. According to Radovich, McLemore played well all around in leading the Titans. Ed Gibbons also scored well getting 37 points in the three games.

The upset victory was one of Fullerton's biggest basketball wins in a long time. More important it was a team effort as four of the starters were in double

figures. Center Dave Feenstra didn't score much but was cited with outstanding defensive play.

Radovich's squad was characterized with a tenacious full court press and team play throughout the road trip. Starting for the Titans are, McLemore, Gibbons, Feenstra, Norm Maggard and George Keefe.

# Pat Dutzi Wins CIF Cross Country AA Title

Pat Dutzi of El Dorado is now the CIF AA cross country individual champion.

Running in the CIF finals at Mt. San Antonio College Saturday, Dutzi beat his nearest opponent by 13 seconds. Pat recorded a time of 10:17 beating his prelim clocking by four seconds.

Dutzi ran his race. He started a terrib pace and maintained a small but secure lead. Then at the last 250 yards the ED harrier

turned it all on. He sprinted the entire way, leaving his opponents in the dust and the El Dorado fans in hysteria.

Pat now plans to train for the upcoming track season which starts in spring. He will run the mile as he did last year.

Pat's coach Don Chadez had acclaimed Dutzi to be the "best competitor" he has "ever been associated with. Pat is a model for the other players as to what a person can do if he sets his heart to it."

## Delamonte Talks To Association Group

Chaplain Delamonte of Chapman General Hospital, Orange, addressed members of Placentia Ministerial Association, Dec. 5 when they met for luncheon at Placentia-Linda Hospital. He presented to the local ministers the Dos and Don'ts of ministers working with patients in hospitals, according to Jean McGarrity, public relations personality of the hospital.

Ministers of the religious faiths are called to the hospital upon request of a patient, it was understood, but the hospital desired to establish an "on call" daily list. A meeting on Nov. 12 with the ministers was held

at the hospital with the plan presented by hospital administrators and found to be acceptable to the clergy. The meeting of Dec. 5 gave a final impetus to the plan, as each clergyman will have a particular day on which he will hold himself ready for a call from the hospital.

"Presently," said Jean McGarrity, "the Placentia-Linda Hospital, due to the proximity of the hospital to the churches, do not feel it necessary to have a resident Chaplain, and the Ministerial Association members believe the idea promoted by the hospital a very fine working relationship."

## Mescalero Tribe Named As Best Y-Indian Group

The Mescalero Tribe of Y-Indian Guides was named Tribe of the Month for October, according to Huya Nation Chief John Balducci. The neighborhood father/son group, led by Chief Chuck Wiley and his son Chris (Shooting Bow and Fast Arrow) were chosen at the Nation's November meeting from among the sixteen

tribes of the Huya Nation. An outstanding tribe is chosen each month based on tribal enthusiasm and contribution to the Y-Indian Guide program.

Balducci said the Mescaleros had been the most involved group by far during the month of October. The members participated actively in the annual recruitment drive and helped a new tribe get started.

Their efforts contributed heavily to the Nation's award-winning float in the Placentia Heritage Days Parade. They helped to decorate the float and were the scouts that enthusiastically war-painted parade spectators. The float was driven by tribe Sachem (wise man) Gus Cor, who is also Huya Nation Assistant Chief. Gus and his son, Jeff, are known as Crazy Thunder and Little Thunder. Some of Gus' antics have led to the tribe being known as "the Crazy Mescaleros" throughout the Nation.

The tribe also initiated a new fire lighting ceremony at the Nation's annual Fall Campout at Joshua Tree National Monument, whereby a flaming arrow mysteriously descended from the rocks hundreds of feet in the air to ignite the campfire.

## City Gives Hendricks Goodbye

Happy landings and all good wishes were the keynote of the luncheon tendered Gerald Hendricks, Thursday noon when his staff personnel entertained him with a going away party. Hendricks resigned from the city of Placentia as director of public works and city engineer to accept a similar position in Pullman, Washington.

Staff members present included George Tindall, Daniel Greeley, Thomas Rasher, Jack Thompson, Dennis Michel, Al Stabile and Sandra Bolmer. As a guest, also, was Mrs. Florence K. Robinson.

Gift of a snow shovel was given to Hendricks, so he could "shovel his way to work in Pullman."

## Milano Plays Role In Keep City Informed

by Florence Robinson  
Have you met Joe Milano? Joseph Milano is a vital cog in the machinery that keeps the city of Placentia, its Council members and staff, up to date on what is happening. Joe is in charge of the machine room of the city. During the month of November Joe turned out 70,000 copies of material on one of the machines, and on another 9,000. That could be called a lot of paper work.

Another facet of Joe's work is the mail. He has a built in mail box service, and when the daily mail arrives he distributes it into the various titled boxes, and the heads of the departments come and pick up their own mail.

Joe Milano came to the city first as a maintenance man, when the aircraft industry with which he had worked laid off many

employees. In the capacity of maintenance man he had a high rating, according to employees of various departments. Then it was discovered that Joe knew machines and could repair them. He took over the machine room job and has been "clicking" along ever since. He keeps the machines in expert condition, and is called upon to repair some for other departments.

Recently Milano devised a form for use by department heads to use as request sheets. He worked out with his machine how these could be printed, and then padded, and thereby has saved the city hundreds of dollars in printing costs.

Small in stature, Joe is vital with energy that electrifies persons with whom he has to do business. Joe is a city hall favorite.

## Presbyterian Members Honor Don MacInnes

"Memories that Bless and Burn" might be the characteristic of the gathering at the Placentia Presbyterian Church Sunday night, November 26, when friends gathered to honor Don MacInnis.

The beautiful sanctuary of the church was the setting, and music of long ago was sung by those assembled. It was reminiscent of church services of the early days as young and old voices mingled in hymnal praise.

Don MacInnis seemed not to have changed, and greeted everyone with his warm smile. He spoke of the pleasure it gave him to be back and to note the changes that have been made. He gave a solemn Benediction and prayer at the close. Then everyone went to the fellowship hall for refreshments.

Dean Davisson, superintendent of the Sunday School, was Master of Ceremonies and called on persons to tell of their early moments as members. George Key showed pictures and described the beginning of Placentia and of the church.

## Youth Council Discusses Future Plans

The Placentia Youth Resource Council met Nov. 28 at the SMILE Office, 533 Palm Drive, Placentia. In attendance were representatives of the various youth-serving organizations of North Orange County.

At this meeting officers for the coming year were selected. Dave Baughman, who represents Boy Scouts of America and who served last year as chairman, will be joined as co-chairman by Betty Solesbee, who represents the La Jolla Girls Club. Sgt. Jim Robertson of the Placentia Police Department will act as press secretary.

The group discussed plans for the coming year and reviewed and evaluated the goals of the organization.

The next meeting of the Youth Resource Council will be Tuesday, Dec. 12 at 11 a.m. in the SMILE Office. The meeting will consist of a presentation by Chuck Babcock, Art Salcido, the School Resource Officers from Valencia and El Dorado High Schools, Julio Hernandez, Aquil Officer, and Rick Lopez from Boy Scouts of America.

Interested citizens are encouraged to attend.

## St. Joseph To Conduct Mission In Spanish

St. Joseph Church will be conducting a Mission in Spanish starting Dec. 10.

Feast day of Our Lady of Guadalupe is Dec. 12, and all Spanish people deserve that day, dedicated specially to Our Lady of Guadalupe.

Special observance will bring approximately 700 Spanish speaking persons to the "Mannanitas" which translated means Dawn, as it was always at Dawn that Our Lady of Guadalupe appeared.

Mrs. Enedina Moreno is assisting Father Norman Supancheck in the plans for the observance, when

time Alex Hart graduated from Webelos and was welcomed into Boy Scouts by two representatives from Troop 740.

Pack 750 will conduct a paper drive on Saturday, December 2. The pack will conclude its activities for 1972 with a combined pack meeting and Christmas party on Dec. 15 at Brookhaven School.

## YL District To Sponsor Yule Party

The Friends of the Yorba Linda District Library invite all members of the community to join in a Christmas Family Gathering to be held in the library's multipurpose room on Friday evening, December 8, at 7:30 p.m.

The get-together will be highlighted by the showing of the film "The Very, Very Best Christmas Present of All," a delightful tale of how a little boy tells his dog the story of the first Christmas. Also included in the free one hour program will be a community sing of familiar Christmas carols, led by Richard Kust at the piano.

## Round Table To Complete Gift Trees

Ceramic Christmas trees will be completed at the next regular meeting of the Placentia Roundtable in the home of Mrs. Mary Zadra of 2025 Tweed Ave. in Placentia, announced craft chairman Mrs. Penny Howell.

The event is scheduled for Monday, Dec. 11, at 9:30 a.m.

## CS Fullerton To Sponsor Folk Dances

The 110-member Aman Folk Ensemble will perform on stage Tuesday, Dec. 12, at Plummer Auditorium.

The ensemble's performance, sponsored by the Associated Students of California State University, Fullerton, will begin at 8:15 p.m.

Tickets for the Dec. 12 performance are on sale for \$3, with a \$1.50 discount for Cal State students. Tickets may be purchased at the Associated Students ticket office on campus.

## District To Figure Student Locale

Keeping track of almost 14,500 students isn't easy, but staff members in the Placentia Unified School District are in the middle of a project to pinpoint homes of all their students to determine where each student will go to school next year.

"We're working to determine the location of every student in the district, and then we'll plot attendance boundaries which will accommodate the population," explained Supt. John Tynes.

Some major realignments of school areas will take place because of the addition of two more schools - Esperanza High in Anaheim and an addition to Golden Elementary. The new schools will bring the total to

22 schools in the district.

District staff, headed by Dr. David Tansey, administrative assistant to the superintendent, will plot attendance areas for each school based on data about student location. Recommendations will be forwarded to the Educational Facilities Planning Committee in January. Committee recommendations will go to the board of education, who will formally adopt boundaries.

"The biggest change will be in attendance areas for high schools," Tynes noted. Students in the eastern portion of the district now are attending Valencia High School. Esperanza High is planned to accommodate ap-

proximately 700 students.

"Boundaries will be discussed in an open board meeting, and sufficient notice will be given to patrons in the district who may want to attend," Tynes said.

## Methodist Church To Present Play

The Valencia Methodist Church in Placentia will present its church school Christmas program on Dec. 10 at 7 p.m. in the church.

Children in the church will present the sights and sounds of Christmas.

The public is invited to attend.

# YMCA Indian Guide Groups Hold Turkey Shoot For Local Huya Nation

Six-year old Lee Duncan, 5191 Cedarlawn, Placentia, is hooked on the YMCA Indian Guides. Lee and his dad, Bud, joined the Wagner School Chiracahua tribe where Lee just learned to handle a B-B gun.

On his first try, at the 1972 Huya Nation Annual Turkey Shoot, young Lee (known as Rapid Fish among his neighborhood band) strutted off with top first grade honors—a real Thanksgiving turkey. His father (Chinook) couldn't be more proud. In addition, Lee's impressive score led the Chiracahua, under Chief Jim Leonard, to the title of best shooting tribe in the Huya Nation for the second year in a row.

Jimmy Bette of the Mojave tribe also bagged a big

bird as best among second grade shooters, and third grade Steve Hunter of the Los Coyotes paced his tribe to second place honors, also trotting off with a turkey.

## Decathlon Planned

Six students from Valencia High School recently traveled to Huntington Beach to compete in the 1972 Orange County Academic Decathlon.

Representing the Tigers were seniors Bill Donovan, Greg Heiertz and Elise Scanlin. Junior members of the VHS team were Diane Bishop, Dan McLoon and Linda Pappas. The students took various written and oral tests in ten categories.

Second place winners in each grade surprised Mom with pumpkin pies for Thanksgiving dessert. They were Charles Spencer, Craig Brittain and Brian Clifford.

Among the tested areas were conversation skills, essay writing, curricular activities, speeches, and the basic high school subjects of math, english and social sciences.

Results from the competition will be announced at a banquet to be held at the Disneyland Hotel, Dec. 6. Advisorship for the decathlon came from Mrs. Louise Levy.

Runner-up honors went to new little brave John Hargreaves, second-grader Mike Regan, and Johnny Balducci, Bodie Newcomb, and Kelly Wheatley, in a three way tie for third graders.

The Mescaleros, another Wagner School group, placed third among the tribal war parties. Huya Nation Chief John Balducci said the annual shoot-out attracted 108 boys and their fathers and is a favorite activity among the Y-Indian Guides.
